

Christoph Hoppe new CEO of Premium AEROTEC

Augsburg, 16 September 2013 – Dr Christoph Hoppe (50) took the helm of aeronautics supplier Premium AEROTEC. The company announced this development already in July. As the Chief Executive Officer (CEO) he is responsible for the strategic and operational goals of Premium AEROTEC.

Dr Christoph Hoppe, together with Michael Colberg (Chief Operations Officer), Dr Lars Kästle (Chief Financial Officer), Joachim Nägele (Chief Program Officer) and Marco Wagner (Head of Human Resources), will constitute the management of Europe's largest supplier of aerostructures.

Premium AEROTEC generated revenues of around 1.5 billion euros in 2012. The company's core business lies in the development and production of metal and carbon fibre composite aircraft structures, as well as the associated equipment and production systems. The company has manufacturing sites in Augsburg, Bremen, Nordenham and Varel in Germany, as well as in Braşov in Romania. For further information see: www.premium-aerotec.com.
